Confirmation of recovery operations status

The Norwegian Environmental Agency confirms that the Norwegian enterprise Renor AS Brevik's treatment of received hazardous waste fulfil the following recovery operations given in the EU Waste Framework Directive Annex II:

- R1: Use as fuel or other means to generate energy
- R4: Metal recycling/reclamation
- R5: Inorganic substance recycling/reclamation
- R12: Pretreatment of waste for submission of operations numbered: R1, R4 and R5

The waste is used to produce alternative fuel in Norcem's cement plant nearby.

Best regards
